

TIA Achievement Award

awarded to

Gregory Sandels

OFS

This certificate is presented by the Telecommunications Industry Association to Mr. Gregory Sandels in appreciation and recognition of your extraordinary contribution and service leading the TR-42 Telecommunications Cabling Systems Engineering Committee and TR-42.13 Passive Optical Devices and Fiber Optic Metrology Subcommittee. You have for many years demonstrated exceptional leadership of TR-42 as Vice-Chair from June 2014 to January 2018, as Chair of TR-42 from June 2018 to January 2022, and as Chair of TR-42.13 from January 2014 to the present.

The Telecommunications Industry Association expresses its deep appreciation for the hours you have volunteered to lead the TR-42 Engineering Committee and TR-42 Subcommittee over several terms. Your skillful leadership and generous guidance that you have provided to the members of TR-42 and TR-42-13 are greatly appreciated.
